

Get through your Continuing Disclosure obligation without losing your way.

If you have issued debt in the last 15 years, you likely have ongoing Continuing Disclosure obligations. Are you compliant with yours? Failing to meet all of the secondary market disclosure requirements can result in losing the ability to sell debt. Join the over 100 issuers in New Jersey that rely on Phoenix Advisors' Continuing Disclosure Service, and you will have an SEC-registered municipal advisor making sure you are, and stay, compliant.
