

First in the state. Twice in a row.

For the second year in a row, Phoenix Advisors ranked first among all financial advisors handling public sector debt transactions in New Jersey for 2012, according to data released by Thomson Reuters. Towns and school districts, more than ever, have benefited from the Phoenix Advantage.

For advice about accessing long or short-term financing, contact a Phoenix Advisors professional at 609-291-0130, or phoenix@muniadvisors.com.

Bringing out the best in us:

Phoenix Advisors is proud to have been instrumental in assisting many municipalities hurt by Super Storm Sandy to fund expenses through the issuance of Special Emergency Notes at low interest rates. During this difficult time, we continue to guide issuers in providing factual, necessary information to the markets and rating agencies to enable informed decisions.
